

## Birds observed on Haparanda Sandskär 1963-2007

The list contains all species observed on or from the island Haparanda Sandskär.

Please report changes and additions to [ingrid.sandahl@telia.com](mailto:ingrid.sandahl@telia.com)

### Occurrence

Hs Breeding non-migrating bird

Hf Breeding migrating bird

(H)f Occasional breeder, year for breeding observation in column 3, and breeders on other islands in the national park

F Bird observed on migration

Abundance of Hs, Hf and F

1 Seen yearly in large numbers

2 Seen yearly in small numbers

3 Seen most years

4 Small numbers or irregular

T Occasional

\* 2-10 observations, year for observation in column. 3

\*\*\* 1 observation and far from usual range, year for observation in column
